

Hearts for You by Denise Harrington Pratt
 Counted Thread – Finishing Techniques
 Intermediate

Learn a variety of finishing techniques. Basic stitches are used so the focus can be on the finishing techniques used to complete the project.

Finishing With Flair by Marion Scoular
 Finishing Techniques - Beginner

Learn more finishing techniques. This course covers four ways to finish your needlework. **This** is a notebook covering three useful techniques for finishing needlework and instructions for lacing needlework for framing.

2022 GCC Choices Round 2

The Pacific Southwestern Region will facilitate two more Group Correspondence Courses in 2022. Teacher fees are paid by the Region.

Participants pay for their instruction manuals and supplies plus a \$15 surcharge to cover shipping and incidental expenses. Per PSR Policy, a minimum of 10 people must participate for a course to be opened. If more than 20 people enroll for the same course, a second group will be opened.

Enrollees can expect delivery of their manuals by late April 2022. Projects are due for evaluation six months after course starts. The surcharge covers the shipment and return of the pieces to the Group Leader. For supply lists, more details and larger color images, log in to:

<https://egausa.org/group-correspondence-courses/>

A Group Leader and Zoom stitch-in coordinator will be chosen from the volunteers from the list of participants. If you want to participate in virtual stitch-ins with your respective classmates, check the permission box to share your email.
